Good morning Chief Laforet,

I hope this email finds you well. I just wanted to check in and see if there were any overnight changes or news, along with any plans or meetings for today. Any additional information or updates you may be able to provide would be greatly appreciated.

I will also be sending out some further situational awareness through a corridor update email so you should be seeing that in your inbox momentarily. Christopher and I will be on-duty today should you have any updates or require any assistance and will be continuing to monitor the situation through the current media outlets.

Best regards,

Holly Robert
